

Middlesex Township Recreation Advisory Board Meeting

Tuesday, February 8, 2022

In attendance: Joe Ramp, Tracy Heiter, Erin Havens, Eleanor Havens, Marian Smyser Bill Gillingham and Denise Jumper

The meeting was called to order at 6:10pm.

Old Business

November minutes- Approved as written.

Tree Lighting & Santa Breakfast Review-

All in attendance thought both events went well. The Tree Lighting will continue to use the same format going forward since it is an improvement to our previous format.

Everyone agreed that the Police did an excellent job delivering Santa to the Township Building.

If we use glow sticks again we will need more than 50 sticks.

Board members enjoyed serving people at the Santa Breakfast. Mr. & Mrs. Claus were not as busy due to everyone waiting at their tables for their food.

It was suggested to have less choices of foods at the Santa Breakfast.

New Business

New Signs- New yard, event signs have been purchased. The dates will be easier to change each year. *2022 Event Schedule* was distributed.

Egg Hunt- Our next event is the Egg Hunt on Saturday, April 9, 2022. If Board Members could be here at 8:45am to help distribute eggs and set up that would be most helpful.

Leftover eggs (with "toys" inside) will be used and some new eggs will be purchased.

We adjourned at 6:40pm. Our next meeting is scheduled for Tuesday, March 8, 2022 at 6pm.
