November minutes- Approved as written. (No official meeting in February)

Discussion regarding Tree Lighting Event on December 1, 2023

Low attendance, but as this was the first time it was poorly attended, we will continue to plan for this event again this year. If we have another Tree Lighting that is not well attended, we can consider changing the event.

Discussion regarding Santa Breakfast on December 2, 2023

This event was very well attended, and it was difficult for people to leave. What makes this event work in the relatively small space of the Recreation Building is that people typically come and go throughout the morning. Some large families stayed longer. Seats were hard to get at some points through the morning. We will extend the event 30minutes this year to help, and also suggest that families come together rather than some coming early and holding seats until the rest of the family arrives.

Egg Hunt- Saturday, March 23, 2024, 10am sharp

Request that Rec Board Members be at the park at 8:30- 8:45am to help set up

Linda Eckenrode agreed to be the bunny

Other members will monitor each age group prior to the start of the Egg Hunt

Prize table set up inside the Recreation Building- Prize eggs will have a slip of paper inside saying they are a prize.

There will be a table of goodies donated by Mrs. Joann Rossi that children may select a prize in addition to their Prize Bunny bag. Gold coins will be in some of the older children's eggs. The coins are a prize themselves.

Suggestion was made to have traffic control assistance.

If police car could park behind Rec Building and blow the siren, it would help everyone to hear.

We adjourned at 6:35pm to continue to stuff eggs.

Our next meeting is scheduled for Tuesday, June 11, 2024 at 6pm.
