

# Middlesex Township Recreation Advisory Board Meeting

Tuesday, July 13, 2021, 6pm

**In attendance:** Joe Ramp, Jake Gutshall, Tracy Heiter, Linda Eckenrode, Marian Smyser, Bill Gillingham and Denise Jumper

The meeting was called to order at 6:09pm.

## Old Business

*June minutes*- Approved as written.

**Fall Festival**- Saturday, September 18, 2021, 12noon-4pm

We decided to continue to plan the Fall Festival as we have in previous years, and during the event a few of the Recreation Board Members can survey the people in attendance and determine what changes residents may like to see.

Old, but good ideas (so we keep them 😊)

DJ for the Music (instead of band. The bands are very expensive, and we should discuss more before we spend so much for the band because it will eliminate some of the other things.)

Inflatable Slide

Pony Rides

Crafts

Pumpkin Painting

Firetrucks

Brusters

Summit Search and Rescue

Corn bins

Middlesex United Methodist Church serving food/ Youth Group face painting or other ideas?

Mums

Cake Walk

## New Ideas

Rescue animals?

Zoo America- attend with a program?

Chalk art on parking lot

Army Heritage demonstration?

Eliminate Penny Search. Not enough interest for the effort it takes.

Denise will start making contact with the organizations/people to attend the event.

We adjourned at 6:55pm. Our next meeting is scheduled for Tuesday, August 10, 2021 at 6pm.
