At approximately 7:40 AM Sally Holbert began her presentation of the Middlesex Township – Conservation Subdivision Design in the Middlesex Township Building.

Ms. Sally Holbert opened up the meeting by explaining how she is trying to incorporate the conservation design techniques into the township ordinances. She had handouts for everyone on the concepts of lot size and development with adequate open space along with some sample ordinance language for the RF District. After the presentation by Sally Holbert those gathered were given the opportunity to ask questions concerning the work that had been completed and what needs to be completed.

The meeting scheduled for Tuesday, October 25th at 9:00 AM will present technical details of the proposed ordinance amendments and will seek input from the township staff and representatives.

The meeting was adjourned at 9:21 AM.
