Fall Festival Recap- Saturday, September 21, 2024, 12noon-4pm

BIG THANKS to everyone for volunteering a whole day to the Fall Festival. Recreation Board Members were amazing as usual. SO grateful for all of you.

Discussion about the events of the day and potential improvements.

Police Table was very popular and exciting. We need more tables, more people and less prizes. We need to limit the number of turns people have. More signs to explain give aways and sharing.

Suggestion to prepare crafts in June. This will allow time to order materials if needed.

Have more water for workers.

Magician did great strolling. He did not have as many attend his indoor show. Potential to do a different Type of show in the Rec Building. (Reptile Show?)

Suggestion to have Police representative attend a couple Recreation Meetings so we can organize prior to the event.
