Comments about Ashley Pyers Scholarship

Denise Jumper, February 5, 2025

Our former Summer Playground Counselor, Ashley Pyers, had a passion for the Playground Program. She loved playing the crazy games, chatting with the kids and preparing for the excitement of field trip days. Ashley was very adamant that everyone who came to camp felt included and had the chance to play and join the fun.

The Pyers family has been supporting the Playground program since 2020 by donating to the program. Their donation has allowed a deserving Middlesex Elementary student to join the Program free of charge.

I have met the parents and worked with the children who have benefited from the Pyers' family's generosity. They are wonderful families. They are grateful for the opportunity their children were given. With the establishment of the Ashley Pyers Memorial Summer Playground Scholarship, the Township will officially be able to join the Pyers family in supporting Middlesex families and ensuring that Ashley's excitement for the Playground program continues.

Thank you Ashley and family!!
